Proposals for declaring National Highways

3341. SHRI RAMDAS AGARWAL: Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

the number of proposals received by the Union Government from various State Governments for declaration of "State Highways" as "National Highways" till date, State-wise and location-wise;

the number of proposals still pending with Government for clearance till date and the steps taken to clear these proposals;

the funds allocated and spent thereon during the last three years and the current year, till date; and

(d) the action so far taken by Central Government on eight proposals of Rajasthan amounting to Rs. 32.55 crores still pending under inter-State roads improvement programme?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H. MUNIAPPA): (a) Atotal of 148 proposals have been received from various State Governments for declaration of new National Highways. The details are given in the Statement *{See* below).

(b) At present, emphasis is being given on the development of existing National Highways to the requisite standards instead of declaring more roads as National Highways.

The allocation of funds for development and maintenance of National Highways is made in lumpsum State-wise. No separate funds are allocated for new National Highways.

The Government of Rajasthan had forwarded nine numbers of proposals, amounting to Rs. 34.836 crore, under the Inter-Stae connectivity Scheme for the development of State roads for in-principle approval during 2007-08. Keeping in view the availability of funds and *inter-se* priority, out of these proposals, four numbers of proposals amounting to Rs. 15.329 crore, have been approved in-principle.
